

MIJEONG JIN

Front-End Web Developer
Jin.mijeong@gmail.com

Enthusiastic and highly motivated aspiring Front-End Web Developer with a comprehensive education in web development gained from a rigorous coding bootcamp EDX. Possessing a solid foundation in front-end technologies, including HTML, CSS, and JavaScript, as well as practical experience with the React library. A creative thinker with a keen eye for design, I am passionate about crafting visually appealing and user-friendly websites.
